IPV6

The image features the text 'IPV6' centered on a light gray background. The characters 'IPV' are rendered in a dark teal color, while the '6' is a vibrant red. The text is presented in a bold, sans-serif font with a slight 3D effect. A large, semi-transparent shadow of a pair of glasses is cast over the text, with the lenses positioned behind the 'IPV' and the bridge of the nose behind the '6'. The shadow is a light gray color, matching the background.
