Nothing Else Matters Lyrics by Metallica Lyrics

Intro:  
Em...  
Em - Em - D - C

Em D C  
So close no matter how far  
Em D C  
couldnt be much more from the heart  
Em D C  
forever trusting who we are  
G B7 Em  
and nothing else matters

never opened myself this way  
life is ours, we live it our way  
all these words I dont just say  
and nothing else matters

trust I seek and I find in you  
every day for us something new  
Em B C  
open mind for a different view  
G B7 Em C A  
and nothing else matters

chorus:  
D C A  
never cared for what they do  
D C A  
never cared for what they know  
D Em  
but I know

so close no matter how far  
couldnt be much more from the heart  
forever trusting who we are  
and nothing else matters

chorus (see above)

never opened myself this way  
life is ours, we live it our way  
all these words I dont just say

trust I seek and I find in you  
every day for us something new  
open mind for a different view  
and nothing else matters

chorus:  
D C A  
never cared for what they do
